LADYHAWKE  
BLUE EYES

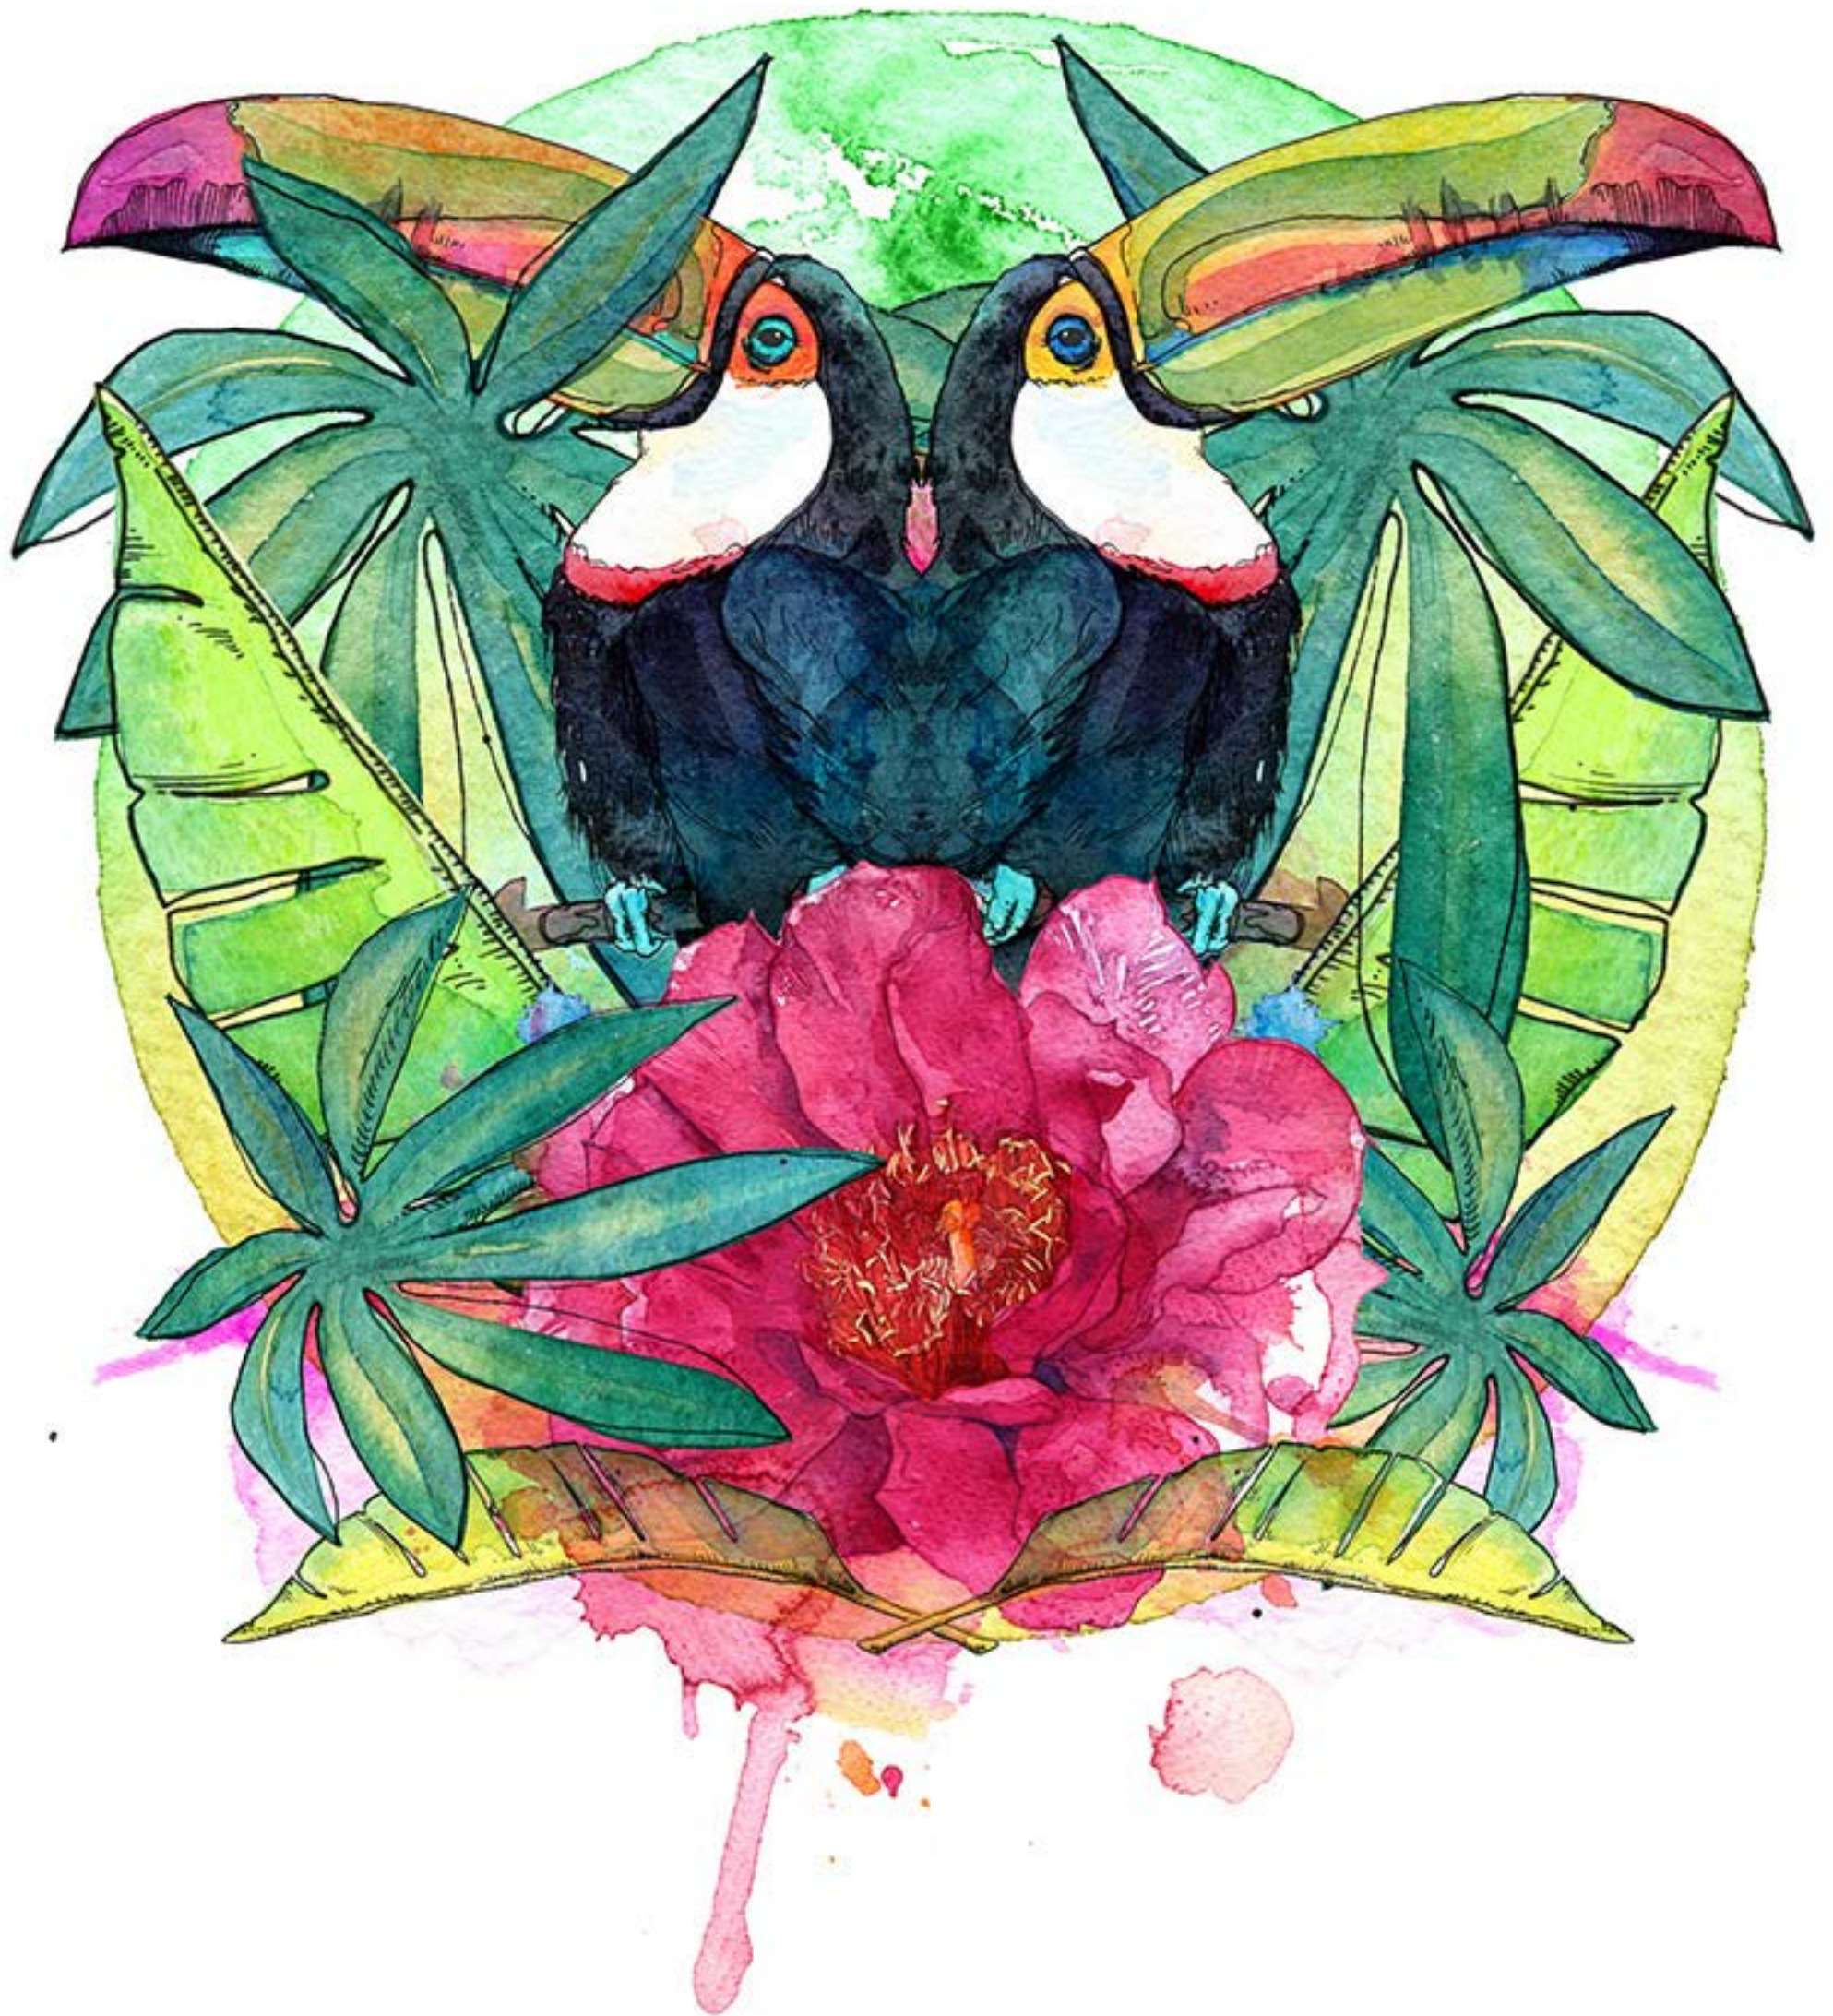

A watercolor illustration on a light, textured background. At the top left, a large pink and white flower with a yellow center is shown. To its right is a smaller pink flower. On the right side, a portion of a yellow and orange flower is visible. In the bottom left, there are several purple and pink flowers on stems, some with buds. In the bottom right, there is a paintbrush with orange bristles and a purple jar or container. The text 'turn life into living' is written in a dark red color, with 'turn', 'life', and 'into' in a simple sans-serif font, and 'living' in a large, flowing cursive script. There are also some green and blue watercolor splatters scattered around the text.
